Mission Statement

Leading students, in partnership with parents, to know Christ and to make Christ known.

Vision Statement

Our vision at Castle Hills School is to produce tomorrow's leaders today.

Statement of Faith

Our core beliefs include the following:

- the Bible is the inspired, infallible, authoritative, inerrant Word of God (2 Timothy 3:16; 2 Peter 1:21).
- there is one God, eternally existent in three persons: Father, Son and Holy Spirit (Genesis 1:1; Matthew 28:19; John 10:30).
- the deity of Christ (Matthew 3:17), His virgin birth (Isaiah 7:14; Matthew 1:23), His sinless life (Hebrews 4:15; 7:26), His miracles (John 2:11), His vicarious and atoning death (1 Corinthians 15:3; Ephesians 1:7), His bodily resurrection (John 11:25; 1 Corinthians 15:4), His ascension to the right hand of the Father (Mark 16:19), and His personal return in power and glory (Acts 1:11; Revelation 19:11).
- the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature, and men are justified on the single ground of faith in the shed blood of Christ. Only by God's grace and through faith alone we are saved (John 3:16-19; John 5:24; Romans 3:23, 5:8-9; Ephesians 2:8-10; Titus 3:5).
- the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of punishment (John 5:28-29).
- man was created by a direct act of God in His image, not from previously-existing life (Genesis 1:1,22,27; 1 Corinthians 11:7; James 3:9).
- the spiritual unity of believers in the Church of our Lord Jesus Christ (Romans 8:9; 1 Corinthians 12:12-13; Galatians 3:26-28).
- the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Romans 8:13-14; 1 Corinthians 3:16; 1 Corinthians 6:19-20; Ephesians 4:30; 5:18).

CHS is accredited by the Association of Christian Schools International. ACSI is the largest accrediting body of Christian schools and colleges in the world. Member schools of ACSI make no distinction concerning an individual's race or ethnic background because we acknowledge there can be no preferential treatment with God (Romans 2:1). We are bound to extend our ministry to all we can reach, and we are to carry out our Lord's Great Commission (Matthew 28:18). ACSI, as an organization serving Christian schools, is dedicated to the establishment, philosophy and promotion of fundamental Christian education around the world, and it neither supports nor endorses the World or National Council of Churches or any world, national, regional, or local organizations which give Christian recognition to nonbelievers or advocate a multi-faith union.

Expected Student Outcomes

The Christian School at Castle Hills exists because of the belief that all Christian parents should have the opportunity to give their child a quality education based on the Word of God. The school views itself as an extension of the Christian home.

CHS teaches its students through a balanced curriculum in the academic, social, physical, and spiritual areas. The curriculum encourages a search for truth and knowledge that rests on the foundation of the written Word of God. The Bible is integrated into all areas of curriculum, which gives integrity and meaning to all subject areas. The Holy Spirit makes the teacher's instruction meaningful, useful, and practical. The goal of this approach is to produce students who possess a Christian mind and who can stand independently in their generation for the Lord.

The student is encouraged to reach his fullest potential in every area of life. The unique nature of each young person calls for us to nurture his or her independent thinking and creative ability under the Lordship of Christ. Medical & Field Trip Release (one per student)

This form will be on file at the school office for the **2017-2018** school year.

I give my permission for _____, grade _____, to participate in all sports and school-sponsored trips away from the school premises throughout the current school year. Students will be accompanied by a teacher and will be under adequate supervision. I understand that I will be given at least 48 hours notice of all trips away from the school premises. I further understand that I may revoke permission for a specific field trip by written notice hand-delivered to the principal more than one day prior to the trip.

Although the school desires to provide a safe and enjoyable time for all students, accidents can still happen. I/we understand that there are risks/dangers involved with participation in off-campus trips and their associated activities. In consideration of my child being allowed to participate in this event, I/we assume responsibility for those ordinary and reasonable risks associated with the travel and activities. I/we agree to indemnify and hold harmless, save and protect The Christian School at Castle Hills (CHS), San Antonio, Texas, its trustees, officers, employees, agents, volunteers, students, successors and assigns from and against any and all claims, demands, actions, suits, liabilities, losses, damages, costs, judgments and claims arising from my child's participation. This release agreement does not apply to claims of intentional (criminal) misconduct or gross negligence by the school, its employees, or volunteers. If such circumstances are proved in a court of law, I/we acknowledge and agree that the school can assume no financial liability beyond its actual liability insurance policy in force.

In case of accident, illness, or other emergency, I/we request that the school contact me. If the school cannot reach a parent/guardian after conscientious effort, I/we give permission for school staff to call paramedics or any licensed physician or dentist. If a life-threatening emergency exists, I/we give permission for school staff to call paramedics immediately and then contact me/us as soon as possible thereafter.

I/we authorize and consent to any X-ray examination; anesthetic; medical, dental, or surgical diagnosis or treatment; and hospital care, which, in the best judgment of a licensed physician or dentist, is deemed advisable. I/we agree to assume the financial responsibility for expenses incurred as a result of those services being provided. I/we also agree to be financially responsible for emergency medical transportation.

I/we acknowledge that CHS reserves the right to decline my child's participation in applicable activities if I/we decline to agree with any portion of this Medical & Field Trip Release form.

If the child lives with both parents, this release must be signed by both parents/guardians.

Student Honor Code

(5th– 12th grade students)

The honor code at The Christian School at Castle Hills (CHS) is established to reinforce the character and spiritual maturing process of each student. This commitment begins with a relationship with Jesus Christ, our Savior and Lord. We believe that the evidence of this relationship will be evident in a student’s desire to grow spiritually, intellectually and relationally. As a student chooses to live out the following Student Honor Code commitments, he/she will succeed in both school and life.

1. I understand the need for a **personal relationship with Jesus Christ in my life** and that it is by His death on the cross and His grace that I can receive the gift of eternal life. **John 1:12**
2. I recognize that by the grace of God I am able to pursue opportunities to **grow spiritually** and to live a life surrendered to Jesus Christ as my Lord. **Rom. 12:1-2**
3. I pledge to **apply myself wholeheartedly to my academic studies** and to meet all testing and other requirements that are part of the guidance and college prep requirements. **Col. 3:23**
4. I pledge that, with God's help, I will care for my body in a manner that is pleasing to God. I understand that my body is the temple of the Holy Spirit and that I will not compromise it by the use of any type of **illegal drug or tobacco**, the use of **alcohol** or involvement of any type of **immorality, homosexuality, sexual activity with students or others** including the use or distribution of pornography. I will refrain from involvement in **any type of illegal activity or behavior at school or away from school.** **II Cor. 6:16**
5. I pledge that I will demonstrate respect love and concern for my fellow students and my teachers. **I will not hurt the feelings of others intentionally, or bully or physically harm or intimidate my fellow students.** **I Cor. 13:4-8**
6. **I will respectfully submit myself to the authority, counsel and discipline of the staff, teachers, and administrators.** **Eph. 4:22-24**

Technology Acceptable Use Policy (one per student)

Student's Signature

I have read the CHS Acceptable Use Policy for the Network/Internet. I agree to follow the rules contained in this policy. I understand that if I violate these rules, my privileges can be suspended or terminated and I may face other disciplinary measures. I agree to use the Network/Internet according to the code of ethics contained in the Acceptable Use Policy.

Student Name _____ Grade _____ Student Signature _____ Date _____
(Print) (2nd Grade and above must sign)

Parent's Signature

As a parent/legal guardian of the student signing above, I have read the Technology Acceptable Use Policy and grant permission for my son or daughter to access the Network/Internet. I understand that the school's computing resources are designed for educational purposes and that the school cannot control, filter, or monitor their use of technology while not on campus. I also understand that there is unacceptable and controversial material on the Internet that might be accessed despite all the precautions. I understand that my son or daughter will be held liable for violations of this policy.

Parent's Name _____ Signature _____ Date _____

The Christian School at Castle Hills (CHS) is pleased to offer students access to a computer network and the Internet (through the school's network via hardwired and wireless capacities). It is the result of a tremendous amount of time, money, and commitment invested by the administration, faculty, CHS parents, and generous donors. The use of computer technology and Internet access is a part of our school curriculum. To gain access to the Network/Internet, all students must obtain parental permission as verified by the signatures on this form. For the purpose of this document, the term Network also includes computer hardware, software, and Internet.

Internet Access

Students can explore via the Internet many libraries, databases, museums, and other sources. Parents should understand that some material accessible through the Internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive. Although the goals of the school are to use the Internet for constructive educational purposes and the school maintains a filtering system to restrict information accessed through the Internet, students may find ways to access objectionable materials. However, we believe that the benefits of Internet use for information resources outweigh the disadvantages. Ultimately, parents and guardians of minors are responsible for establishing and conveying the standards that their children should follow when using media and information sources. Therefore, we support each family's right to decide whether or not to apply for access.

Student Responsibilities

Students in grades K-6th grade will have access to computer devices in the classroom and students in grades 7-12 will be issued a school laptop or other computer device for their use on and off campus. Students are expected to comply with the school standards of behavior and the rules set forth below while using the tablets and laptops as well as the school computer network. Students should understand that network use is subject to administrative monitoring/review at any time as are the school issued tablets and laptops. The user is personally responsible for his/her actions in accessing and utilizing any of the school's technology resources. The use of school technology is a privilege, not a right, and may be revoked if abused.

Rules of Appropriate Use

Any actions that might harm the technology hardware equipment or software, impair its effective use, or show disregard for the procedures set forth below will not be tolerated. Unacceptable uses of the network will result in the suspension or revoking of these privileges as well as possible school and/or legal discipline. These are the guidelines to avoid the loss of privileges:

1. **Do not share your password with another person.** This includes allowing another student to use a computer logged in under your assigned username and password.
2. **Do not use technology equipment to harm other people or their work.**
3. **Do not tamper with, vandalize or damage any technology equipment.** Monetary responsibility lies with the student/parent if repair or replacement of software/hardware is necessary when the damage was caused by careless use or vandalism. Insurance is available for school issued laptops.
4. **Do not trespass in another person's folder, work on files or vandalize the data of another user.** This includes using a computer that is logged in under another user regardless of the circumstances.
5. **Students may not under any circumstances use a computer logged in under a teacher or staff person.** This action will result in immediate loss of computer privileges and other disciplinary action.
6. **Students may not use classroom/office computers for any homework assignments.** The computer labs are available for computer-related homework assignments subject to the approval of the teachers.
7. **Do not use the network for illegal activity,** including violating copyright laws, downloading/spreading of viruses or gaining unauthorized access to resources or entities.
8. **Do not view, send or display offensive messages or pictures.**
9. **Do not download/install programs** including shareware or freeware without permission from the administration. This includes downloading any games from the Internet.
10. **Do not use the network for financial transactions,** including financial gain or commercial purposes.
11. **Do not use the network to release personal or school information** such as names, addresses or phone numbers without written permission from the administration.
12. **Do not use removable media from home computers on campus computers** or ask teachers to accept assignments on jump drives.
13. **Do not violate the spirit of CHS's mission statement.**
14. **Notify your instructor immediately, if by accident, you encounter materials that violate the standards of appropriate use.**
15. **Notify your instructor if a security problem is suspected.**

Warranties

The Internet user and his/her parents must understand that he/she uses the Internet at his/her own risk. Considering the provisions mentioned above, CHS cannot assume responsibility for

1. The reliability of the content of a source received by the user.
2. Costs that the student incurs if he/she requests a product or service for a fee.
3. Any consequences of disruption in service that may result in lack of resources. Though every effort will be made to insure a reliable connection, there may be times when the Internet service is down or scheduled for use by teachers, classes, or other students.

I understand that if I/we should decline to submit this form or agree with any portion of this Technology Use form, my child may not be allowed access to the school computers and other technology.

The Policies and Procedures Manual is available in hard copy in the Superintendent's Office, and/or an electronic copy is available on the website (see downloadable materials).

____ *Init.* If **we/I become dissatisfied** with CHS staff, policies or decisions in any respect, **we/I will seek to resolve matter with the person or persons involved** according to the Matthew 18 Principle, by going directly to that person rather than spread criticism and encourage dissention/disaccord.

____ *Init.* We/I understand and consent to the **publication of photographs and audio video** in school publications and media coverage (yearbook, newsletter, website development, admissions materials, media coverage at sports or other performance events, etc.).

____ *Init.* The Christian School at Castle Hills is a religious institution providing an education in a distinct Christian environment, and it believes that its biblical role is to work in **conjunction with the home** to mold students to be Christ-like. On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to living in, condoning, or supporting sexual immorality; practicing homosexual lifestyle or alternative gender identity; promoting such practices; or otherwise having the inability to support the moral principles of the school (Leviticus 20:13a; Romans 1:24-32; Matthew 19:4-6; Romans 12:1-2; I Corinthians 6:9-20; Ephesians 4:1-11; 5:3-5; I Thessalonians 4:3-8; I Timothy 4:12; II Timothy 2:19-22; I Peter 1:15-16; I John 3:1-3).
