

THE CHRISTIAN SCHOOL AT CASTLE HILLS CHRISTIAN MUSIC CONSERVATORY
PRIVATE LESSON CONSENT FORM

Why study voice, piano, strings, and guitar? The individual, one on one, teaching provides specialized instruction, which cannot be duplicated in a class setting. Private music students will have their particular weaknesses diagnosed and be guided in a unique program of study designed to help them develop a technique which will increase the beauty of their tone and the ability to sing or play accurately and expressively. All teachers share the goal of helping each student develop his/her vocal or musical instrument to prepare for a lifetime of musical enjoyment and confidence.

The cost of the individual private lessons is \$25.00 for a 25-minute lesson held once a week (approx. \$100.00 a month) during study hall or before/after school, depending on the teacher's and student's schedule. Group and Private lessons are a yearlong commitment, and students are still charged for lessons missed due to extemporaneous reasons. Please see the Conservatory information for the cost of group classes.

If interested, please complete this form and submit to the school office along with the \$25 Conservatory Fee.

I give permission for my child to study privately with one of the teachers using the facilities at Castle Hills School. I understand that each individual teacher will devise payment policies and procedures for make-up lessons (if applicable), and that payment for the lesson will be made directly to the teacher according to the policies he/she sets forth. I understand that there is also a \$25 Conservatory Fee per semester that must be paid before a teacher is assigned. My child accepts the responsibility of preparing for the lesson and attending the scheduled lessons, as well as for prompt payment. I further understand that the private teachers approved at Castle Hills reserve the right to accept and keep students based on readiness for private instruction as well as punctuality and preparation for lessons.
