Our faculty, staff, and coaches have prepared some incredible activities and opportunities for each of you to grow spiritually and physically as well as to explore new skills.

In order to ensure a safe and happy summer, we will be following our safe, smart schools protocols to keep families safe this summer and to remain in compliance with local and State government health guidelines.

- We will continue to implement daily sanitation protocols for common surfaces, restrooms, classrooms, recreational areas, and facilities.
- Hand sanitizer stations are available in every classroom, mounted in the hallways, and in common areas.
- Campers will need to provide their own water bottles for camp.
